An engrossing, illustrated journey into true crime classics of the Victorian era, this omnibus volume contains three works in Rick Geary's increasingly storied treasuries of murder—*Jack the Ripper*, *The Beast of Chicago*, and *The Fatal Bullet*. *Jack the Ripper* presents Geary's inimitable tongue-in-cheek take on the 19th century's most infamous serial killer. H. H. Holmes is the next subject in Geary's award-winning series, as he presents the chilling, methodical murders of the world's first serial killer in *The Beast of Chicago*. Lastly, *Fatal Bullet* explores the assassination of President James A. Garfield at the hands of an obsessive-compulsive stalker. These carefully researched presentations of true crime stories include a bibliography of research sources, presenting true facts about famous murders in an entertaining fashion.
