FINGERPRINTS OF GOD Jennifer Rothschild

To a blind person, human touch is essential. In the absence of facial expressions, it reassures and comforts. But can you still feel the warm and soothing touch of an unseen God? Author and musician Jennifer Rothschild, who lost her vision at the age of fifteen, explains how God's touch works from the inside out, warming the heart, mind, and soul. It lifts weights that eyes could never see. It washes away the anguish of guilt, the bite of fear, and the ache of loneliness. With the gentle pressure of His hand on our shoulders, we can find our way through the darkest of nights.
