## **Going to the Sources: A Guide to Historical Research and Writing** Anthony Brundage

Anthony Brundage has revised his popular book to render an even more detailed, practical and 'user friendly' tool for students faced with what can be a daunting task: the researching and writing of a research paper or historiographical essay. After an introductory chapter that describes the different schools of historical thought, *Going to the Sources* becomes a handy manual, helping the reader to identify and access the many sources -- both old and new -- available to historical researchers. Accordingly, this new edition includes a detailed discussion of electronic databases and a list of World Wide Web sites devoted to history.
