Book #2 of Running With Alphas...

Hale isn't even remotely interested in Taylor—at least that's what he keeps telling her. But that doesn't explain why he keeps turning up everywhere she goes and why he can't seem to keep his hands off her.

As Taylor struggles to maintain her new relationship with Alder, Hale threatens to drive a wedge between them. But is it because he wants her gone, or because he wants her for himself?

This is the second book in an ongoing story. It is not a standalone.
