Once Upon a Star - Celebrity kiss and tell stories Peggy Trentini

"Once Upon a Star" is a true autobiography about a young Hollywood ingénue, searching for love in all the wrong places of La La land. Peggy bears her heart and soul in her quest for love amongst Hollywood's most elite players. Follow her struggles with trying to balance her modeling, television and film career with wild nights and lavish lifestyles. Her naivety will challenge your heart and make you laugh as she skips from one relationship to another, always believing that love would find her. This is a story that encompasses the sorrow and triumph of living in the celebrity fantasy world. "Once Upon a Star" is a story very seldom presented with such candor and truth. Journey along with Peggy's anecdotal celebrity relationships and flings with the likes of Sylvester Stallone, Billy Idol, Mick Jagger, Nicolas Cage, Sean Penn, Kevin Costner, Johnny Depp, Vince Neil, Sting and many others. Juicy and thought provoking, you will not want to put this one down!

Revised and re-edited with bonus material as of 2/21/2012. Sync your Kindle!
