New York Times bestselling author Emily March takes readers on a magical journey to a small frontier town where an estranged couple seek to heal their broken hearts.

After her life falls apart, Tess settles in the isolated West Texas town of Aurora Springs where she vows to build a new life with a new family and new friends. And she may have overcome her failed marriage, if only she hadn't dragged that pig to the fair...

The pig sends Gabe Montana to his knees. The shock of seeing his runaway bride knocks him flat. Intrigued by the secrets glistening in her eyes, he can do nothing to resist the urge to chase her back to Aurora Springs. There, healing awaits, if only they can learn to let go of the past, embrace forgiveness, and recommit themselves to the love that had never truly died.
