The Kings of Cool: A Prequel to Savages

Don Winslow

The Kings of Cool: A Prequel to Savages Don Winslow
From the *New York Times* bestselling author of *The Cartel*

In *Savages*, Don Winslow introduced Ben and Chon, twenty-something best friends who risk everything to save the girl they both love, O. Among the most celebrated literary thrillers, *Savages* was a Top 10 Book of the Year selection by Janet Maslin in *The New York Times* and Stephen King in *Entertainment Weekly*.

Now, in this high-octane prequel to *Savages*, Winslow reaches back in time to tell the story of how Ben, Chon, and O became the people they are. Spanning from 1960s Southern California to the recent past, *The Kings of Cool* is a breathtakingly original saga of family in all its forms—fathers and sons, mothers and daughters, friends and lovers. As the trio at the center of the book does battle with a cabal of drug dealers and crooked cops, they come to learn that their future is inextricably linked with their parents' history. A series of breakneck twists and turns puts the two generations on a collision course, culminating in a stunning showdown that will force Ben, Chon, and O to choose between their real families and their loyalty to one another.
