The New Encyclopedia of Southern Culture: Volume 5: Language

The New Encyclopedia of Southern Culture: Volume 5: Language

The fifth volume of *The New Encyclopedia of Southern Culture* explores language and dialect in the South, including English and its numerous regional variants, Native American languages, and other non-English languages spoken over time by the region's immigrant communities.

Among the more than sixty entries are eleven on indigenous languages and major essays on French, Spanish, and German. Each of these provides both historical and contemporary perspectives, identifying the language's location, number of speakers, vitality, and sample distinctive features. The book acknowledges the role of immigration in spreading features of Southern English to other regions and countries and in bringing linguistic influences from Europe and Africa to Southern English. The fascinating patchwork of English dialects is also fully presented, from African American English, Gullah, and Cajun English to the English spoken in Appalachia, the Ozarks, the Outer Banks, the Chesapeake Bay Islands, Charleston, and elsewhere. Topical entries discuss ongoing changes in the pronunciation, vocabulary, and grammar of English in the increasingly mobile South, as well as naming patterns, storytelling, preaching styles, and politeness, all of which deal with ways language is woven into southern culture.

From reader reviews:

Seth Sawyer:

People live in this new moment of lifestyle always attempt to and must have the time or they will get wide range of stress from both way of life and work. So , whenever we ask do people have free time, we will say absolutely yes. People is human not really a huge robot. Then we consult again, what kind of activity are you experiencing when the spare time coming to an individual of course your answer will certainly unlimited right. Then do you try this one, reading books. It can be your alternative inside spending your spare time, often the book you have read is actually The New Encyclopedia of Southern Culture: Volume 5: Language.

Olga Snider:

Is it a person who having spare time subsequently spend it whole day by watching television programs or just lying down on the bed? Do you need something totally new? This The New Encyclopedia of Southern Culture: Volume 5: Language can be the reply, oh how comes? It's a book you know. You are and so out of date, spending your extra time by reading in this new era is common not a geek activity. So what these books have than the others?

Laurence Terry:

On this era which is the greater man or woman or who has ability to do something more are more treasured than other. Do you want to become one of it? It is just simple approach to have that. What you must do is just spending your time almost no but quite enough to possess a look at some books. Among the books in the top collection in your reading list will be The New Encyclopedia of Southern Culture: Volume 5: Language. This book which can be qualified as The Hungry Mountains can get you closer in getting precious person. By looking right up and review this publication you can get many advantages.

Edna Davis:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The New Encyclopedia of Southern Culture: Volume 5: Language can make you feel more interested to read.
