The Academic Vocabulary Reference, Grades 3-5 is designed to help teachers and administrators to implement the Common Core English Language Arts and Mathematics Standards and the Science and Social Studies State and National Standards. By embedding verbs and verb phrases derived from the Common Core, as well as Next Generation Science and National Standards for Social Studies, educators can plan vocabulary-rich learning activities, assess student progress, and provide intervention as needed. This Vocabulary Reference will be helpful as teachers plan instruction and learning activities in their units, lessons, and instructional activities. This Reference:

- Includes grade-level lists of the academic content vocabulary teachers need to plan, align, and develop units of instruction, as well as formative learning experiences.
- Includes academic content words (Tier 3) for ELA, Mathematics, Science, and Social Studies, along with essential verbs and verb phrases (Tier 2) critical to implementation of the Common Core State Standards.
- Provides a powerful tool in developing individual student plans for intervention, enrichment, and performance assessments. The accompanying User Manual:
- Provides research-based strategies on "the why" of vocabulary competencies and effective vocabulary teaching and learning.
- Highlights the essential vocabulary from the Common Core State Standards and state standards, "the what" to support learning.
- Builds on teachers' experience to craft powerful practices, "the how" of embedding vocabulary development into units, lessons, and engaging activities.
