Aradia: Or the Gospel of the Witches Charles G. Leland

This classic of neo-Paganism is one of the few books which purports to be an actual sacred text of traditional witchcraft, in particular that of the Tuscan region of Italy. Charles Leland was an American expatriate journalist, folklorist, and author. He based this book on material which he received from a woman named Maddelena, who had assisted him in collecting regional Italian folklore. On New Years day, 1897 she handed over to him a document in her own handwriting, the Vangel, which is the core of this book. Maddelena then reportedly went missing, and never contacted Leland again.
