Do You Love Fiction? "Bliss" Will Put You In The Heart Of The Drug World That's Ever Growing

Are You Ready? Take this pill and relax, It's about to get fun.

Two young men from opposite sides of the tracks: JJ grows up on the north side Chicago with dreams of chemicals and creating drugs for pharmaceutical companies. Smurf grows up on the south side of Chicago with a dislike for school and the hunger for money. While JJ goes off to college to focus on a degree in Chemical Engineering, Smurf learns the keys to becoming a powerful figure in the drug trade. With Bliss, the new chemical compound JJ has created, and the connections that Smurf has made in the cocaine drug trade, the two are about to become a force to be reckoned with. Neither realizes the territory wars they are about to create and the personal vendettas they are about to become a part of. Step into a world that is created by Bliss. Where decisions can make or break you. Where sex is common. Where loyalty is tested. Where bonds are created. Where money flows like water. And where pain is endured.

**This is the life that everyone is curious about, many pursue, and only few succeed.
