Do YOU like quizzes? Then my advice is to read 'City of Ashes' then use the quiz book to test yourself to see what you remember. You may be pleased with your memory; you may be surprised by what you've forgotten; you may want to re-read it, then try taking the quiz again! (That's not a hardship though.)

Quizzes are great fun and this has the added advantage of being about something you know will interest you

since you bought the book in the first
