The Best Revenge

Stephen White

The Best Revenge Stephen White

In a riveting new novel of psychological suspense, Stephen White shines a brilliant light on the darkness that hides just beneath the surface of ordinary lives, on the fears that cripple us and the prisons we create—prisons of the body, mind, and spirit. A thriller of runaway tension, taps into our most closely guarded fears, taking us on a harrowing journey into a realm of terror and pain, of love gone wrong and vengeance gone mad.

Psychologist Alan Gregory is living through a season of discontent. With a new daughter, a wonderful wife, and a prospering career, he has little to complain about and lots of regrets: past cases that won't let him go, patients who don't get better, and a growing unease with keeping secrets. But Gregory has two new patients who will drag him out of his introspection—and dare him to enter a storm of injustice and revenge.

FBI special agent Kelda James is a hero, a woman who as a rookie agent made a choice, drew her gun, and saved a life, taking another. Now Kelda is hiding from the world a secret pain that is gradually crippling her body—and she has turned to Alan Gregory to help free her from the prison of her pain. Then Kelda refers a patient to Gregory, who is terrifyingly dangerous to them both.

Tom Clone served thirteen years on Colorado's death row for a crime he claimed he didn't commit—until an FBI agent dug up evidence that set him free. The agent's name: Kelda James. With both Kelda and Clone telling him their innermost secrets, Alan Gregory becomes the one person who can piece together an extraordinary puzzle—of two unsolved violent deaths of vulnerable women, of a man who may be innocent or may be very lucky, and of the strange, fatal attraction between two people trapped in a horrific plot to get revenge—at any price.

A thriller that delivers a stunning body-blow of a surprise ending, captures lives colliding at unpredictable angles, probing the dangerous lies people tell to each other and themselves. In this astonishing work by a novelist at the height of his powers, Stephen White brilliantly blends thrilling action and breakneck pacing with unrivaled insight into the human mind, heart, and psyche.
