The Differentiated Classroom: Responding to the Needs of All Learners Carol Ann Tomlinson
New Edition released May 20, 2014.

This product is no longer in print.

Drawing on nearly three decades of experience, author Carol Ann Tomlinson describes a way of thinking about teaching and learning that will change all aspects of how you approach students and your classroom. She looks to the latest research on learning, education, and change for the theoretical basis of differentiated instruction and why it's so important to today's children. Yet she offers much more than theory, filling the pages with real-life examples of teachers and students using-and benefitting from-differentiated instruction.

NOTE: This edition is out-of-print. The 2nd edition was released in May 2014.
