The Queen of Damn Good Advice: A savvy mom helps daughters command and rule their lives

Annette Bridges

Southern mom, Annette Bridges, is the author of a series of books that share helpful, instructive, light-hearted, inspirational messages. Annette wrote *The Queen of Damn Good Advice* to provide a wealth of wisdom and inspiration for daughters heading off to college and going for their goals. She even offers suggestions for those preparing for marriage or struggling with divorce or other drama. In short, this book empowers daughters and lives up to the subtitle: A savvy mom helps daughters command and rule their life!

PRAISE FOR THE QUEEN OF DAMN GOOD ADVICE

"A delightful follow-up to *The Gospel According to Mama*, I found this book full of damned good advice for those days I'm the queen...and the many I still feel like the princess...and many reminders of conversations I should have with the two princesses in my realm as they struggle onward. It would make a great addition to any book club reading list, especially those that cherish spirituality and the teachings of the Bible." Meg Welch Dendler, author of *Why Kimba Saved The World* and mother of two teenage daughters

Annette Bridges' conversational tone is like coffee and a chat with a wise, caring friend. Though written for mothers and daughters, *The Queen of Damn Good Advice* is for anyone with a spiritual nature who wants to live a fulfilling life and stop "energy leaks" that affect us all. Spiritual rather than religious, I felt Bridges' use of Bible quotes enhanced the writing, without being preachy. The more I read, the more I looked forward to continuing on. ~ Joyce Shafer, Life Empowerment Coach; publisher of the online newsletter, *State of Appreciation*; and author of *I Don't Want to Be Your Guru, but I Have Something to Say*.

So many times advice books offer a well-meaning anchor... which weighs you down. Happily, Annette Bridges' advice to young women is the opposite -- it's uplifting and, well, actually *fun*. Inspired by her own ups and downs as her daughter left home, married, divorced, and started life anew, Bridges recognizes that God always has our best interests at heart. Bridges' breezy stories, based on experience and analyzed with common sense and gentle faith, will win smiles from daughters... and mothers, sisters, nieces everywhere. Julie Hedgepeth Williams, author of *A Rare Titanic Family: The Caldwell's Story of Survival*.

Don't be fooled by Annette Bridges' homespun prose--there is genuine wisdom in this book, not just for mothers and daughters, but for everyone. One has to admire her courage and generosity in revealing some very personal incidents simply because she knew they might help someone. Amy H. Duncan, author of *Getting Down to Brass Tacks - My adventures in the world of jazz, Rio, and beyond*

Take a day and go to the beach, mountains or wherever you find inspiration and read, *The Queen of Damn Good Advice*. If I were asked to sum up this book in one word it would be honesty. It is a brutally honest look at the author's life and lessons learned. What I appreciated was the way it got me to rethink some of the challenges in my own experience and how to find solutions. Her description of self-pity as "wounded ego" gave me plenty to be honest about in my own life. I loved thinking about the seven wonders being to see, hear, feel, touch, taste, laugh and love vs. places and things. It turned my thought to gratitude instead of regret or despair over lost opportunities. Annette writes with poignancy, depth and humor. It will start the

"mental wheels turning" and perhaps move you forward when you have felt stuck in life. Well done! Connie Pierce, author of *My Journey of Real Life Weight Loss: How I Lost Over 180 pounds*

Rickie Miller:

Playing with family in the park, coming to see the marine world or hanging out with good friends is thing that usually you have done when you have spare time, subsequently why you don't try matter that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love *The Queen of Damn Good Advice: A savvy mom helps daughters command and rule their lives*, you may enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang-out type is it? Oh can occur its mind hangout folks. What? Still don't understand it, oh come on its referred to as reading friends.

Barbara Corbin:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see

colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Queen of Damn Good Advice: A savvy mom helps daughters command and rule their lives can make you sense more interested to read.
