A woman without a past...

After a tragic accident left her with no memory, Kate Alexander struggled to fit in with a husband and world that didn't feel right. She's had no reason to question what friends and family have told her, not until her husband is suddenly killed and she finds a photo of a young girl in his office. A girl who can't be anyone but a daughter Kate didn't know she had.

A man desperate for a reason to live...

Ryan Harrison lost his wife in a plane crash five years ago. To cope with the pain of her loss, he dedicated himself to his job and to raising their daughter. Now a successful pharmaceutical executive, Ryan has everything a man could want—money, fame and power—but he'd give it all up in a heartbeat for just one more day with the woman he still loves.

Two lives about to converge.

As Kate begins to dig into a past she doesn't remember, evidence leads her to San Francisco and puts her on the path toward Ryan, a man who sees in her the woman he loved and lost. Kate feels a draw to Ryan, one she can't explain, but is that feeling enough to convince her this is where she's supposed to be? As Ryan and Kate search for answers, they uncover lies long buried, a passion hotter than either expected and a danger that threatens...even now...when the second chance they've both been searching for is finally within reach.
