We created a disconnect. Where do we as Christians get off shaking our judgmental fists at a secular society instead of exploring other faith perspectives? What makes us think that holding tight to outdated traditions is preferable to reaching out beyond our walls? In *Broken*, Greg Fromholz helps us recognize that we are part of this culture and life around us, and he inspires us to be who we were always created to be—connected and restored—so that we can find, and multiply, hope. A helpful, first step in creating a reconciliatory bridge between culture and faith.
