#### Faith: In Your Own Handwriting Steve Davis

Faith. The concept seems simple, until it becomes personal. Then the struggle begins. What should I believe? Is this my faith, or is it just what I've inherited from other people? What if I don't believe everything some people say I'm supposed to? And how much impact should what I believe have on how I live my life? In other words, how do I make my faith my own instead of just a copy of someone else's? How do I write my faith in my own handwriting?
