Fear God and Take Your Own Part Theodore Roosevelt

"FEAR GOD AND TAKE YOUR PART" is the title of this 1916 book by Theodore Roosevelt. It is typical of the untiring strenuousness of Roosevelt, and is an unanswerable argument for preparedness. "Let this nation fear God and take Its own part—Let it exercise patience and charity toward all other peoples and yet at whatever cost unflinchingly stand for the right when the right is menaced by the might which backs wrong. Let it furthermore remember that the only way in which successfully to oppose wrong which is backed by might is to put over against it right which is backed by might."

The book contains some politics—considerable Roosevelt, a great deal of Americanism, and volumes of sound sense ably and forcefully written. Few readers will agree with it in its entirety. Every American will gain important knowledge by reading it, and better still the book will cause more men to think for themselves.

As ably put by the publishers, George H. Doran Company, 38 W. 32nd street, New York in 1916, "This book, by this man, at this time, is an event. It is the 'most significant publication of the year.'"

This book originally published by George H. Doran Company in 1916 has been reformatted for the Kindle and may contain an occasional defect from the original publication or from the reformatting.
