**He had been looking for it his whole life. When he finally found it, it made no sense.
Now everyone wants it. Nothing will ever be the same again.**

Ripley Gaines, a brilliant archeologist, has spent his life searching for an elusive artifact to prove his controversial theory. What he finds shocks even him. The discovery rewrites human history and promises to change the planet's future. It has to be suppressed.

The most powerful forces in the world align against him, and a deadly competition for the artifact ensues. Capturing Gaines is not enough; he, and everyone who has seen the artifact, must be killed. His only hope, is to stay alive long enough to decode the Cosega Sequence.

Dig far enough into the past . . . you may just discover the future.
