## **It Came from Within!: The Shocking Truth of What Lurks in the Heart** Andy Stanley **Where Did THAT Come From?**

You know that dreaded, sinking, I-can't-believe-I-said-that-out-loud feeling? It's a disconnect between your attitude and your actions. Or is it? "For out of the overflow of the heart the mouth speaks," states Matthew 12:33. Scary, but true: The words you "accidentally" speak and the actions you later regret are actually in keeping with what's hiding in your heart. Andy Stanley's life-changing message examines four conditions at the root of sour attitudes, hurting relationships, and regretful actions: guilt, anger, greed, and jealousy. This book will help you disclose the true state of your heart and turn what's *terrifying* into what's *terrific*.

### *You Can't Run*

#### *from What Lurks Within*

More frightening than Frankenstein. More seductive than a vampire's kiss. More destructive than alien invaders from another planet. They will numb your soul, steal your life, and threaten your most treasured relationships.

Who are these creatures?

Where do they come from?

At the fall of mankind they were unleashed on the world, wreaking havoc and sending countless thousands fleeing from their homes. And their lair is found in the last place anyone wants to look — the mysterious depths of the human heart.

You *think* nobody knows the real you. You *think* your secret is safe. Beware! These forces gain strength from darkness. And left to their own, they will grow in power and influence, like a lab experiment gone terribly wrong.

But these monsters have a weakness. They *can* be defeated. You can escape their clutches and be forever free of their influence.

Learn the truth—before it's too late!
