On a trek to the Himalayas, in search of the self, in search of Mahaavtaar Babaji, a superstar reminisces the last sixty years of his life. And herein began the journey of a poor boy who rose from the ashes of poverty to the zenith of popularity, to become one of the highest paid film actors in the world. The Warrior Within is the story of a star torn between the material and the spiritual. It tells of Rajinikanth's journey into the realms of the unknown alongside his world of films; his spiritual leanings in contrast with his vices and his indiscretions; his meditative and monk-like demeanour versus his daredevilry, moodiness and volatility; as well as his philanthropy, his wit; his politics and his business acumen. Does Shivaji find himself? Does he win the war—within, and without?
