To Trust a Rogue (The Heart of a Duke Book 8) Christi Caldwell

A rogue

Marcus, the Viscount Wessex has carefully crafted the image of rogue and charmer for polite Society. Under that façade, however, dwells a man whose dreams were shattered almost eight years earlier by a young lady who captured his heart, pledged her love, and then left him, with nothing more than a curt note.

A widow

Eight years earlier, faced with no other choice, Mrs. Eleanor Collins, fled London and the only man she ever loved, Marcus, Viscount Wessex. She has now returned to serve as a companion for her elderly aunt with a daughter in tow. Even though they're next door neighbors, there is little reason for her to move in the same circles as Marcus, just in case, she vows to avoid him, for he reminds her of all she lost when she left.

Reunited

As their paths continue to cross, Marcus finds his desire for Eleanor just as strong, but he learned long ago she's not to be trusted. He will offer her a place in his bed, but not anything more. Only, Eleanor has no interest in this new, roguish man. The more time they spend together, the protective wall they've constructed to keep the other out, begin to break. With all the betrayals and secrets between them, Marcus has to open his heart again. And Eleanor must decide if it's ever safe to trust a rogue.
