Culpa Morgan Jones

For 20 years he's lived everyone else's dream. Now he wants to live his own. no matter who gets hurt. Brock Stowolski always thought he'd grow up to be a priest. He's spent the last two years in seminary, preparing for just that. Then one day he realizes he no longer wants the make-believe, we-trust-in-God, He'll-make-it-all-right world any longer. He craves the real world-where men with ambition rely on themselves and their own labors to make their own fame, power, and wealth. Leaving seminary and a devoted friend behind, Brock plunges headlong into a career in design, determined to make it to the pinnacle of success. But he could never dream where his life's journey would take him. or what his crowning culpa-his life achievement-would be. The most poignant portrayal of love, redemption, and forgiveness you'll ever read. By Morgan Jones, the author of *The Thinker's Toolkit: 14 Powerful Techniques for Problem-Solving* (Random House) and founder of the Virginia company Analytic Prowess. Jones spent 36 years with the CIA, primarily as an intelligence analyst.
