Three sisters and an unforgettable journey to tame New Zealand's Kaimanawa horses For the Love of Horses is a heartfelt story about a life familiar to many young Kiwis who love horses - the trials and tears of Pony Club, the joy of riding bareback, and the pressures of adolescence and competitive showjumping. It is also the story of an unlikely childhood dream coming true. Every year in the wilderness of the Central Plateau, wild Kaimanawa horses are rounded up and sent to the slaughterhouse. It's upsetting, but what else can be done? The Wilson sisters decide something could be done. They saw future champions behind the fiery eyes and beneath the shaggy coats. In this touching book, Kelly Wilson tells the true story of how they embarked on a courageous journey to train horses that most people believed were untrainable.
