Judgment and Decision Making in Accounting Sarah E. Bonner

This unique first edition is the only book on the market that delivers a contemporary synthesis of both psychology and accounting literature related to judgment and decision making.

Judgment and Decision Making in Accounting is structured around an innovative framework that provides a unique way of thinking about JDM projects and organizing JDM research. Developed based on many years of teaching and research on accounting JDM, this unique framework succinctly describes the key issues in accounting JDM research, enabling readers to more quickly assimilate the vast material related to those issues. The framework also provides a basis to help readers evaluate their own current JDM research ideas, as well as generate further research questions.
