Not to the Swift David Williamson

When a white policeman shoots an unarmed black teenager, the faith and strength of two families are shaken and a Midwest inner city community struggles with all-too-familiar tensions.

The city's lead investigator strives to control escalating protests, a middle school teacher tries to calm her frightened students, and a pastor sees a rare opportunity for his community's voice to be heard.

The victim's friend feels the prison walls of gang and drug-related violence closing in, and the officer suffers under a burden of guilt and shame.

But the heaviest decision falls on average-Joe hospital technician George Washington, who finds himself--gun in hand--face to face with the man who killed his son.
