A terrarium is nothing less than a miniature world — one that you can create yourself. It might be a tiny rainforest, with lush foliage and bright tropical flowers. Or a desert, with strange succulents planted among colorful stones. Or a Victorian fernery. Or a minimalist composition with a single, perfect plant.

Or it might not contain any plants at all. It might be made with crystals, feathers, bones, seashells, bits of wood, porcelain trinkets — anything that catches your fancy and helps create a mood or look. Whatever they contain, terrariums are the ultimate in modern, affordable, easy-care décor.

*Terrarium Craft* features fifty original designs that you can re-create or use as inspiration for your own design. Each entry comes with clear step-by-step directions on how to assemble and care for your terrarium. You'll also find helpful information about selecting a container, using appropriate materials, choosing the right plants, and maintaining your terrarium. (Hint: It's easy! In fact, many terrariums are self-sustaining, requiring no maintenance whatsoever!)

If you've always wanted to have a bit of nature in your own home, without the worry and labor of a garden, this book will show you exactly how to create your own unique, enchanting world. In style and style.
