When 27-year-old pop sensation Brooklyn Heart steps in front of a microphone, her love songs enchant audiences worldwide. But when it comes to her own love life, the only spell she's under is a dry one. So when her label slots her for a Grammy performance with the sexy and soulful Jason Monroe, she can't help but entertain certain fantasies... those in which her G-string gets more play than her guitars'. Only one problem. Jason is a lyrical lone wolf that isn't happy about sharing the stage--nor his ranch -- with the sassy singer. But while it may seem like a song entitled 'Jason Monroe Is an Arrogant Ho' basically writes itself, their label and their millions of fans are expecting recording gold... They're expecting The Duet. A fun & sexy Romantic Comedy.
