OK! Magazine

The Very British Rules of Dating is the first and only book that finally gives elegant ladies a glimmer of understanding into how to find and keep their perfect gentleman.

With a good dollop of British humour, it explores the answers to common questions such as:

- Where are all the quality men hiding?
- Why do they never approach me?
- Why do men only seem to 'flirt' after they have had a few drinks?
- How do I know where I stand when he never says what he means?
- How do I know when we're an official item? He hasn't said anything. - Why is he acting strangely? He suddenly just stopped messaging me!

Looking at every aspect of both traditional and modern dating, including advice for online dating, apps, and texting, this book will become your go-to guide for navigating your way through the minefield that is dating in the UK. It will give you all the tools you need to make a lasting impression on the ever-confusing British gentleman, to help you find and keep your Prince Charming.

It also includes free videos with exclusive dating tips and advice!
