The Winter Guest Pam Jenoff

A stirring novel of first love in a time of war and the unbearable choices that could tear sisters apart, from the celebrated author of *The Kommandant's Girl*

Life is a constant struggle for the eighteen-year-old Nowak twins as they raise their three younger siblings in rural Poland under the shadow of the Nazi occupation. The constant threat of arrest has made everyone in their village a spy, and turned neighbor against neighbor. Though rugged, independent Helena and pretty, gentle Ruth couldn't be more different, they are staunch allies in protecting their family from the threats the war brings closer to their doorstep with each passing day.

Then Helena discovers an American paratrooper stranded outside their small mountain village, wounded, but alive. Risking the safety of herself and her family, she hides Sam—a Jew—but Helena's concern for the American grows into something much deeper. Defying the perils that render a future together all but impossible, Sam and Helena make plans for the family to flee. But Helena is forced to contend with the jealousy her choices have sparked in Ruth, culminating in a singular act of betrayal that endangers them all—and setting in motion a chain of events that will reverberate across continents and decades.

From reader reviews:

Tammi Kendrick:

In this 21st century, people become competitive in every single way. By being competitive at this point, people have to do something to make these people survive, being in the middle of the particular crowded place and notice simply by surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. Yes, by reading a guide your ability to survive is boosted then having a chance to stand up that other is high. For you personally who want to start reading some sort of book, we give you this particular The Winter Guest book as a beginner and daily reading publication. Why, because this book is greater than just a book.

Sophia Hartman:

Christine Flint:

Your reading sixth sense will not betray a person, why because this The Winter Guest guide was written by a well-known writer who really knows well how to make a book that may be understood by anyone who has read the book. Written in a good manner for you, leaving every idea and writing skill only to eliminate your current hunger then you still question The Winter Guest as a good book not simply by the cover but also by content. This is one publication that can break don't assess a book by its cover, so do you still need an additional sixth sense to pick this kind of!? Oh come on your looking at sixth sense already said so why you have to listen to yet another sixth sense.

Dennis Green:

Some people said that they feel weary when they read an e-book. They are directly felt the item when they get a half part of the book. You can choose the particular book The Winter Guest to make your own reading interesting. Your current skill of reading talent is developing when you are similar to reading. Try to choose a straightforward book to make you enjoy to read it and mingle the sensation about a book and studying especially. It is to be the first opinion for you to like to open up a book and read it. Besides that the e-book The Winter Guest can be your new friend when you're senseless and confused using what must you're doing of that time.
