Jared Smith's determined to make it in Texas, but with the local banker turned against him, it looks like his dream may be slipping through his fingers. When unconsciously sensual Laurie offers a partnership, his luck may be changing...but when she throws herself in as part of the deal, Jared's not sure he'll be able to respect the terms of their agreement and keep his eyes-and his hands-to himself.

There's something about Laurie that awakens every protective instinct Jared has...and when all hell breaks loose, **there's nothing and no one who'll be able to keep this cowboy from her side.**
