Call No Man Father Ardin Lalui

Three men have been hired to track down a strange family heading north through New Mexico.

This story takes us on their mysterious journey across America, from New Jersey to Montana, and to their final dramatic confrontation, where what they find is not at all what they expected.

The story is inspired by the famous short story of Jorge Luis Borges, *The Gospel according to Mark*.

Both provocative and thoughtful, this strange tale delves into some of the most haunting questions in fiction and provides another insight into the mind of one of the country's brightest literary newcomers.
