El Alienista/the Alienist (Spanish Version) Caleb Carr

Fast-paced and gripping, infused with a historian's exactitude, The Alienist conjures up the Gilded Age and its untarnished underside: verminous tenements and opulent mansions, corrupt cops and flamboyant gangsters, shining opera houses and seamy gin mills. Here is a New York during an age when questioning society's belief that all killers are born, not made, could have unexpected and mortal consequences.

Blurb in Spanish:

Nueva York, 1896. John Schuyler Moore, reportero de sucesos de The New York Times, recibe una convocatoria en plena madrugada. Su antiguo compañero de Harvard, el famoso psicólogo (o alienista) Laszlo Kreizler, le pide que se presente en el puente de Williamsburg, donde se ha producido un crimen horrible. El director de la policía encargará a Kreizler y al propio Moore que dirijan la investigación: una jugada muy atrevida, pues un alienista es considerado poco menos que un hechizero. El problema para ambos investigadores, es que no saben nada del criminal. Para llegar a él tendrán que trazar un perfil psicológico basándose en su capacidad de penetración mental...
