Addy is stuck. Stuck in a cloud of cigarette smoke, frat parties and newspaper deadlines. As if that wasn't enough, Addy and her friends find themselves trapped in unfaithful, abusive and disturbing relationships. If it takes everything in your heart to forget, how could you possibly forgive? When Addy is the sole witness in the murder of an almost-boyfriend, she blackmails the culprit into helping her get revenge. Paranoia and guilt set in as the body count rises in this outrageous tongue-in-cheek black comedy about three friends who take it upon themselves to right the wrongs of society. How crazy do you have to be to kill your ex-boyfriends? Addy doesn't know but she's about to find out... This isn't a story about murder. It's a story about fighting back.
