'Le Morte D'arthur' by Sir Thomas Malory

Le Morte d'Arthur (originally spelled Le Morte Darthur, Middle French for “the death of Arthur”) is a reworking of traditional tales by Sir Thomas Malory about the legendary King Arthur, Guinevere, Lancelot, and the Knights of the Round Table. Malory interprets existing French and English stories about these figures and adds original material (e.g., the Gareth story). He called the full work *The hoole booke of kyng Arthur & of his noble knyghtes of the rounde table*, but Caxton instead titled it with Malory's name for the final section of the cycle. Modernized editions update the late Middle English spelling, update some pronouns, and repunctuate and reparagraph the text.
