Three interconnected stories from three bestselling authors: John Green (*Paper Towns*, *The Fault in our Stars*), Maureen Johnson (*The Name of the Star*), and Lauren Myracle (The Internet Girls series.)

Major motion picture in the works!

A Christmas Eve snowstorm transforms one small town into a romantic haven, the kind you see only in movies. Well, kinda. After all, a cold and wet hike from a stranded train through the middle of nowhere would not normally end with a delicious kiss from a charming stranger. And no one would think that a trip to the Waffle House through four feet of snow would lead to love with an old friend. Or that the way back to true love begins with a painfully early morning shift at Starbucks. Thanks to three of today's bestselling teen authors—John Green, Maureen Johnson, and Lauren Myracle—the magic of the holidays shines on these hilarious and charming interconnected tales of love, romance, and breathtaking kisses.

*A New York Times* Bestseller!

"Tender without being mushy, these carefully crafted stories of believable teen love will leave readers warm inside for the holidays."—*School Library Journal*

"Contemporary culture, humorous romantic developments and strong characters enhance this collaborative effort."—*Kirkus Reviews*
