## **Book 3:**

Alexa O'Brien has more power than she can handle. A werewolf bound to a vampire by a force bigger than the both of them, Alexa is feeling lost. Desperation drives Alexa to make a deal with the one person who can guide her, a man she loathes, Harley Kayson. He just so happens to be the sire of her vampire lover, Arys Knight. To say Arys is pissed about this would be putting it lightly.

Conflict threatens to destroy what Alexa and Arys share. Due to their eternal bond, they can never truly walk free of each other. When Arys teams up with his sire to revisit their sordid past, the pain he and Alexa inflict on one another rises to a scathing boil. Alexa comes to realize that her only solution is to fulfill Arys's greatest wish and worst nightmare, regardless of the consequences.
