San Andreas

Alistair MacLean

San Andreas Alistair MacLean

Reissue of the classic tale of war at sea, from the acclaimed master of action and suspense.

Suddenly, just before dawn, the lights went out aboard the San Andreas. For the British hospital ship sailing the deadly, U-boat patrolled Norwegian waters, a nightmare of violence and betrayal has begun. A terrifying game of sabotage in which an unknown traitor among the crew holds all the cards.

The red crosses on the vessel's sides spell anything but safety. For a dangerous secret has turned the ship into a priceless quarry.

With the Captain out of action Bosun Archie McKinnon takes over. Alone in treacherous, frozen seas, her compass smashed, the San Andreas is being drawn relentlessly into the enemy's hands.

From reader reviews:

Thomas Palmer:

As people who live in the actual modest era should be change about what going on or details even knowledge to make these people keep up with the era and that is always change and move forward. Some of you maybe will probably update themselves by examining books. It is a good choice for yourself but the problems coming to you actually is you don't know what one you should start with. This San Andreas is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

Julie Boyle:

The actual book San Andreas has a lot details on it. So when you check out this book you can get a lot of gain. The book was authored by the very famous author. Mcdougal makes some research just before write this book. That book very easy to read you will get the point easily after looking over this book.

Virginia Shrader:

Is it an individual who having spare time and then spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This San Andreas can be the respond to, oh how comes? The new book you know. You are so out of date, spending your time by reading in this fresh era is common not a nerd activity. So what these guides have than the others?

Barbara Folsom:

Reserve is one of source of know-how. We can add our understanding from it. Not only for students but in addition native or citizen need book to know the up-date information of year to year. As we know those guides have many advantages. Beside many of us add our knowledge, can also bring us to around the world. With the book San Andreas we can take more advantage. Don't you to be creative people? For being creative person must prefer to read a book. Simply choose the best book that suitable with your aim. Don't become doubt to change your life with that book San Andreas. You can more attractive than now.
