The magnificent reimagining of a Cherokee legend, this grand mythic tale portrays the dangerous journey one young hero makes to heal his tribe's relationship with their gods

A young shaman of the Galayi people has a powerful and frightening vision of the Cape of Eagle Feathers, a gift of the Thunderbird worn by the Seer and Wounded Healer to divine the future. The torn and bloody cape can no longer cast its light into the spirit world, but the shaman's dream reveals the cure: A child born to the Galayi will restore the cape and return the goodwill of the gods.

Dahzi may be that hero—if he can survive the hatred of his grandfather, whose evil intentions have been passed down from mother to son. Dahzi carries the hope of his people, along with the power to become a great chief. But to meet his destiny he must defeat not only the enemy warriors who prey on the Galayi, but also the head of his own family.

A timeless coming-of-age story enriched by Meredith and Win Blevins's deep knowledge of ancient Native American myths and folklore, *The Promised One* is a fantasy novel unlike any other.
