#### **Richard Thompson:**

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Waste and Want, a Social History of Trash can make you sense more interested to read.
