The hugely popular early chapter book series re-emerges with a new look! Brand-new eye-catching cover art brings a modern feel to this classic monster series for young readers.

It's just a normal day for the Bailey School kids. That's until they head to their favorite ice cream shop and meet Scout, the new girl working the counter. Clad in dark clothing and with a hollow and forlorn look on her face, Scout tells the kids that she's in town to find a house for the family she works for. When she adds that she's interested in finding a home that's made of stone and has no windows near the cemetery, the kids realize Scout must be a ghoulish looking for a home for a family of vampires. Will the kids be able to stop Scout from bringing a new family of monsters to Bailey City?
