Rightly Dividing The Word Of Truth: A Fresh Perspective To Understanding The Bible. Fred S. Wolfe II

This book encompasses all major events recorded in the Bible from the destruction of the planet Earth between the first two verses of Genesis; the new doctrine of the Age of Grace delivered to the Apostle Paul by Jesus Christ himself; details of the Great Tribulation as prophesied by Daniel; the believers of today reigning with Jesus in his Millennial Kingdom and the new heaven and earth, where the streets are paved with gold. Get ready for the “read” of your life! “Fred Wolfe has dedicated his life to examining the history, practice, and interpretation of the word of God. The Bible is too often misquoted, and this book will help to shed light on some common misconceptions, challenging the reader to strengthen their understanding of God. With scholarly evidence and reasoning, he has written a blueprint of the Bible’s inception, as well as the deepest meanings of its words. By closely examining one’s understanding of the word of God, they will find a faith and clarity so absolute that it can never be shaken. This book is a must read, no matter where one is in their walk with God.”-Pastor Matthew Barnett, Co-Founder of the Dream Center
