Stop Searching and Let Me Explain... Why We Are Here Pastor Randall R. Crawford Sr.

This is a guide to one of the oldest books ever written, the Holy Bible! Mankind has wondered for years why are we on this earth in the flesh. Did it really all begin with Adam and Eve? What really happened in the garden? Did Eve really eat an apple? Is Genesis really the beginning? Who is Tyrus? Who is Satan? Are they one in the same? With scripture evidence and understanding from the Holy Spirit the answers to these questions are unlocked. Some scholars believe this earth is only 13,000 years old, but scripture supports that the earth is millions of years old. If the earth is millions of years old why does most of mankind believe it all started in Genesis? This journey through the ages describes the catastrophic events that led up to this dispensation of time we currently live in. It describes in detail who caused these events and who tried to stop it. In this soul searching, faith enriching guide you will look at the birth of a baby in a whole new light. The Creator has a plan for his children and it is revealed through his Holy Word. Once this plan is understood will you understand your true destiny?
