Benjamin Franklin

The Way to Wealth: Advice, Hints, and Tips on Business, Money, and Finance Benjamin Franklin
Benjamin Franklin was concerned with making the sometimes bitter pill of truth about the human condition easier to swallow. In *The Way to Wealth*, Franklin refines his maxims and homilies in order to make them more subtle and sophisticated. As a successful author, inventor, scientist, statesman and one of the Founding Fathers of America, he exemplifies the emerging American nation. A man who was very proud of his working roots, in 1758, the year he ceased writing for the *Almanack*, he printed *Father Abraham's Sermon* also known as *The Way to Wealth*. This book will teach you how to start a business, make money and save for the future.
