Designing and Planting a Woodland Garden: Plants and Combinations that Thrive in the Shade Keith Wiley

Woodlands are magical places and even small gardens can capture the atmosphere with a carefully chosen tree and some shade-loving plants. Selecting the right plant for the right place is essential and expert plantsman Keith Wiley explains how to combine plants that will thrive together and even how to create shade if you don't already have it. In this evocative account, he mingles beguiling, less well-known plants with familiar, time-tested ones to create fabulous effects in all seasons. The owner of Wildside Nursery in Devon, England, Keith Wiley inspires gardeners everywhere with his dynamic, naturalistic style.
