Annalise Fallston made peace with postponing her big-city dreams to care for her ill father, but lately she's been filled with a restlessness not even her beloved painting dispels. Worse, the colors don't speak to her as they always have, and all her efforts produce dark, foreboding images of a dangerous man and a terrifying future.

Devlin Eston, black-souled son of the evil Anemoi Eurus, is the only one who can thwart his father's plan to overthrow the Supreme God of Wind and Storms. But first, Dev must master the unstable powers he's been given. Distrusted and shunned by his own divine family, he never expected to find kindness and passion in the arms of a mortal.

But Devlin's love puts Annalise in the path of a catastrophic storm, and in the final Armageddon showdown between the Anemoi and Eurus, sacrifices will be made, hearts broken, and lives changed forever...or lost.
