Moskva Jack Grimwood

***Moskva* is a brilliantly written, chilling and sophisticated début serial killer thriller set in Cold War Moscow. Makes *Kolymsky Heights* look like a walk in *Gorky Park*.**

- Christmas Eve 1985 -

The shaved, exsanguinated body of a young man is found in Red Square; frozen solid - like marble to the touch - missing the little finger from his right hand.

A week later, Alex Marston, the fifteen year old daughter of the British Ambassador disappears. Army Intelligence Officer, Tom Fox, posted to Moscow following the death of his own daughter, is asked to help find her. It's a shot at redemption.

But as Fox's investigation drags him deeper towards the dark heart of a Soviet establishment determined to protect its own so his fears grow, with those of the girl's father, for her safety. A flayed cat, hung by its hind legs from the ceiling of Fox's flat is just a warning.

And if Fox can't find Alex soon, it looks as if she could become a sadistic killer's next human victim . . .

Praise for Jack Grimwood:

'Grimwood is a damned fine writer' *Independent*

'The writing is elegant, the dialogue razor sharp, the characters drawn economically but effectively, and the action is unrelenting' *SciFi Now*

'Conjures up the city so vividly that you can almost touch the place' *SFX*

From reader reviews:

Maryanna Kuhns:

The reason why? Because this Moskva is an unordinary book that the inside of the guide waiting for you to snap that but latter it will shock you with the secret that inside. Reading this book next to it was fantastic author who have write the book in such incredible way makes the content within easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of rewards than the other book possess such as help improving your talent and your critical thinking way. So , still want to postpone having that book? If I ended up you I will go to the book store hurriedly.

Jonathan Peterson:

Playing with family inside a park, coming to see the ocean world or hanging out with friends is thing that usually you may have done when you have spare time, subsequently why you don't try matter that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Moskva, you may enjoy both. It is excellent combination right, you still want to miss it? What kind of hang type is it? Oh seriously its mind hangout men. What? Still don't understand it, oh come on its referred to as reading friends.

Matthew White:

You can spend your free time to see this book this book. This Moskva is simple to create you can read it in the park, in the beach, train and soon. If you did not have much space to bring the actual printed book, you can buy the actual e-book. It is make you simpler to read it. You can save often the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Jason Braden:

What is your hobby? Have you heard that will question when you got students? We believe that that problem was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person just like reading or as examining become their hobby. You need to know that reading is very important and book as to be the matter. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You discover good news or update with regards to something by book. Different categories of books that can you take to be your object. One of them is this Moskva.
