Supervillainous!: Confessions of a Costumed Evil-doer Mike Leon

Supervillain. The very word immediately conjures up images of cackling madmen waving death rays as they rant and rave about their maniacal plot for world domination. But there is more to professional evil - so many questions left unanswered by movies and comic books. What kind of salary do henchmen get? Where do all these super gadgets come from? How come good guys never use the door? One man has the answers. Mike Leon spent months following Baron Hammerspace during his rise from C-list rogue to A-list arch-nemesis of the most powerful heroes on the planet. This is the startling and true story of those events.
