Similar to the GED Test, the Test of Adult Basic Education (TABE) is designed to assess reading, mathematics, language, and spelling skills. TABE is useful for any program that needs to assess basic educational skills in an adult population—it has been used successfully by adult basic education, correctional education, vocational-technical programs, corporate training, one-stop career centers, military, college, non-profit, and union programs. With access to 3 total TABE exams, this book is for adult learners who want extra practice for the Test of Adult Basic Education. In addition, this new title provides students with:
